

PRESCRIPTION DRUG COLLECTION
APRIL 30, 2022 AND OCTOBER 22, 2022

On April 30th and October 22nd, from 10:00 a.m. to 2:00 p.m., residents are encouraged to bring expired prescription drugs and over-the-counter medications to the police department for disposal rather than discarding the materials in the trash or introducing the drugs into the sanitary sewer system. **A drop-off container has been placed in the lobby of the South Park Township Police Department.**

The program has expanded to include allowing people to drop off electronic vaping devices, provided any lithium ion batteries are removed. Residents can also drop off vitamins, gel caps, and similar items which do not have to be removed from the original packaging.

No syringes of any type will be accepted. Needles ("sharps") can be disposed of in the trash; however, special precautions must be taken for safety reasons. Sharps are to be placed in a container such as a plastic milk jug or coffee can with a secure lid. The lid should be taped so that it remains in place.
